

THE RELIABLE WORKFORCE PARTNER FOR YOUR LANDFILL

Safely operating a landfill while complying with a complex regulatory environment is challenging. Leadpoint supports landfill operations by providing a safe, productive, and stable workforce to assist with litter collection, equipment cleaning, traffic control, sign maintenance, and more.

Since 2000, Leadpoint has been solving labor challenges in the waste and environmental industry as the leading fully outsourced labor provider. Our solutions are flexible, our service is reliable, and we understand the importance of compliant landfill operations. With a dedicated, well-trained workforce, we ensure peace of mind and consistently meet our customers' labor needs.

Labor That Works.

Leadpoint recruits, trains, and onboards a reliable workforce of full-time employees. Backed by nearly 25 years of industry experience, we have the expertise and discipline to deliver consistent results for your operation.

TECH-ENABLED RECRUITING

- Experienced recruiting team with deep understanding of the waste and recycling industry
