

LABOR SOLUTIONS FOR MANUFACTURING

At Leadpoint, we know how important it is to have the right people with the right skills and training in modern manufacturing. Since 2007, we have delivered outsourced labor solutions that enhance efficiency and quality for manufacturers like you. Our recruiting, retention, and training services provide a safe, reliable, and efficient workforce, aligned with your unique business needs.

Powering Manufacturing Operations for 15+ Years

Whether you need 10 or 100 workers, Leadpoint is ready to support you. We specialize in all levels of manufacturing operations, from entry-level assembly and production to senior-level management. Our flexible teams integrate human talent with automation to maximize efficiency and cost-effectiveness.

TECH-ENABLED RECRUITING

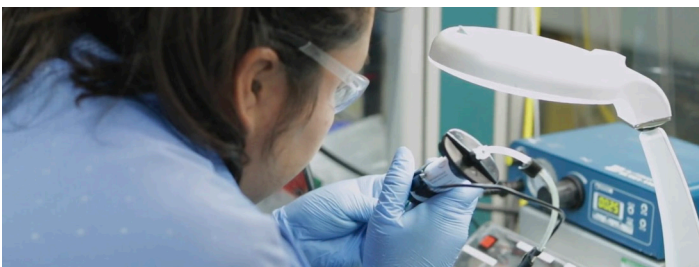

We utilize advanced technology with integrated chatbot capabilities to effectively recruit and screen candidates.

TALENT POOL DEVELOPMENT

We offer site-specific training, onboarding, and skill development to build your organization's future workforce.

QUALITY ASSURANCE

We provide a top-tier assembly and production workforce, collaborating with you to understand your products, processes, and quality expectations.

EVOLVING WORKFORCE

We deliver a skilled team that evolves to accommodate dynamic and ever-changing production environments.

SAFETY FIRST

Our proprietary LiveSafe philosophy and manufacturing proficiency ensure compliance with important industry regulations.

COST EFFICIENCY

Our data-driven, hands-on approach helps reduce costs and increase efficiency.
